Vision Questions Summary

Vision	Community Answers
<p>What do you like about the current vision?</p>	<ol style="list-style-type: none"> 1. Looks good on paper. Covered most bases. 2. The focus on live, work, play. 3. Input from the community. 4. Very inclusive. Presents a strong value system, caters to a responsible image and culture. 5. It is a good vision but will take a lot of work to fulfil. 6. Builds on individual character, a place to live and work, safe and prosperous. Enhancement of rural, cultural and natural environments. 7. Hopeful; looks good on paper. 8. Infrastructure stressed in future with 65,000 more people. 9. Feeling of safety.
<p>What would you like to change?</p>	<ol style="list-style-type: none"> 1. What does the first sentence mean? 2. The 407 does impact our small communities and will destroy our way of life and our children's, agriculture, etc. and is not a separate issue. 3. The third point seems too specific for a vision statement – it could be a guiding principle instead. 4. More local employment opportunities. More eco-friendly housing; landscape architect for planning department. Too many empty Durham transit buses. Have population buy into the image. 5. Small areas that have been mainly rural will have a problem with number three. New residents need to be educated and older residents get to know them. 6. Variety in houses in subdivisions. 7. People should be compensated for their property if it is in the greenbelt. 8. To keep each community individual. 9. Farms in rural retained – urban/rural work together – wording to protect rural. 10. Variety in housing to give character. 11. Eco-friendly homes/developments. 12. More detail is needed. 13. It only looks good on paper. 14. Too long, last point too specific. 15. Plain language.

Vision Questions Summary

Vision Question	Community Answers
What do you think is missing and would like to add to the vision?	<ol style="list-style-type: none">1. Detail, eco-friendly.2. We have to think more about expanding our economic base to support our service based community/more detail about future plans.3. A true community hospital (with obstetrics). Better use of valleys and conservation areas, e.g. Long Sault, Enniskillen. Add to vision – people accept and act to this vision.4. Lacks employment areas in north end and Highway 407 area.5. Try to keep the small community feeling in the individual communities.6. Working with greenbelt and isolation of 407.7. Basic economic base.8. Services and infrastructure to support the growth.9. More detail.
