

OFFICIAL PLAN REVIEW
Newtonville Open House, June 12th 2008
Community Questions Summary

Community Question	Community Answers
What do you enjoy about your community?	<ol style="list-style-type: none"> 1. Quiet – can go outside and hear the birds, see the sky at night without the bright lights. 2. Quiet friendly people. 3. Quietness and country feeling. 4. It is a small close community where people actually know their neighbours whether they live next door or next street. The long time residents always welcome new families by including them in community events. 5. Country, peace and quiet, close knit community.
How has Clarington changed in the past 10 years?	<ol style="list-style-type: none"> 1. Used to live in Newcastle on George Street and felt that my space was eroding. 2. More places to shop. 3. Grown immensely. 4. It has grown to include more people from cities. Schools have increased students and more small businesses have started. 5. Increased population. More amenities closer to small hamlets e.g. Newcastle IGA, Newcastle stores.
What changes would make Clarington even better?	<ol style="list-style-type: none"> 1. GO Bus service to Newtonville. 2. Better transportation. 3. Better lighting in parks. 4. More public transit. 5. Controlled population, more industry/employment opportunities. Public transit. Community policing.

OFFICIAL PLAN REVIEW

Community Questions Summary

Community Question	Community Answers
<p>What sets Clarington apart from other communities?</p>	<ol style="list-style-type: none"> 1. I live in Newtonville and previously lived in Newcastle. Enjoy the fresh air. 2. Less smog, less congestion. 3. It's closeness to events for people to attend and are familiar with each other. 4. Lots of natural beauty. 5. The small communities within Clarington. Clean environment, friendly environment.
<p>What issues need to be addressed in this Official Plan Review?</p>	<ol style="list-style-type: none"> 1. Not to downsize the lots any more than they already have gotten to be. 2. Affordable housing. Seniors residence. Maintain lot sizes. 3. Better balance of streets 4. Making any new development have lot sizes that are larger not smaller. Don't want to have a large city feel to this area. 5. Employment. Affordable housing. Green space. Environmental concerns – water supply/electrical supply/garbage. Senior living. Health care services – doctors/nurses.
