Vision Questions Summary**

| <b>Vision Question</b>   | <b>Community Answers</b>   |
|--|--|
| <p>What do you like about the current vision?</p>                        | <ol style="list-style-type: none"> <li>1. People focussed.</li> <li>2. It is comprehensive and idealistic as visions should be.</li> <li>3. That is involves the community at large and the encouragement of public input.</li> <li>4. A place for people to live and work and play.</li> <li>5. Good as long as no more good land goes under asphalt.</li> <li>6. Sustainable Greenbelt.</li> <li>7. Preserve farmland.</li> </ol>  |
| <p>What would you like to change?</p>                                    | <ol style="list-style-type: none"> <li>1. Enhance the focus on a united/shared municipality.</li> <li>2. How do you “protect the heritage”? Culture by its very nature is dynamic?</li> <li>3. Land use (and way land itself) changes. It is not constant. Protect viable land use.</li> <li>4. Public who wish to sit on Planning Councils.</li> <li>5. More bus routes. One way streets in Bowmanville. Taunton Rd. to 4 lanes (transportation).</li> <li>6. Need more industry – not nuclear opposed to more nuclear power plants.</li> <li>7. Focus on young – visuals. Young people involvement.</li> <li>8. More reflective of the whole, not just individual communities.</li> <li>9. Renewable energy.</li> </ol>  |
| <p>What do you think is missing and would like to add to the vision?</p> | <ol style="list-style-type: none"> <li>1. Probably should include some thoughts about movement/transportation through the municipality.</li> <li>2. Plan to attract persons to the area.</li> <li>3. We need to look at current infrastructure and make necessary repairs or modifications.</li> <li>4. Green Belt focus, industry, employment.</li> <li>5. Changing times – need more sports facilities – drop in centres.</li> <li>6. Use of historical buildings and abandoned industrial sites. Cultural use of facilities<br/>– mixed instead of predictable development. Every industry/commercial are looking the same.</li> <li>7. Develop – how to attract people to Clarington. Market Clarington.</li> <li>8. Principal employment and secondary jobs.</li> <li>9. Foster existing landmarks/built heritage.</li> </ol> |
